FREQUENTLY ASKED QUESTIONS for students and alumni in traditional undergraduate or graduate certification programs.

If you are not in a traditional program, and are in a Transitional B certification program such as the NYC Teaching Fellows/Teaching Collaborative/Pathways to PE or Sub to Teacher cohort, please contact Dr. Martinez, Teaching Fellows manager, and Ellen Kreger, Administrative Assistant to Interim Dean Scharron del Rio & Teaching Fellows for information. Email: Roberto.Martinez@brooklyn.cuny.edu and EKreger@brooklyn.cuny.edu

You can open the links in the letter below by clicking on items that are hyperlinked / underlined. This information may be updated and superseded.

NY State certification rules and procedures are subject to change. Please check the NY State Dept. of Education Office of Teaching Initiatives (OTI) site for current information and updates.

Before you graduate, or when you are ready for certification, check your TEACH account --make sure your account includes the following

- Fingerprint records: Look for a line that states “We have received your fingerprint information from NYC” or “Your DCJS and FBI results have been received”. If your records have not been received, refer to these instructions including > Be Sure Your Fingerprint Records Are Posted on Your New York State TEACH Account if You Need New York State Certification
- Mandated workshops: refer to these instructions.
- Applications: marked paid. Please see the application instructions on the Brooklyn College Educator Certification website. You can apply early or as needed for your employment.
- Institutional recommendation, if you your degree was confirmed. See # 1 below.
- Certification tests if needed. See #2 below.

1. Question: What is the process to get NY State certification?

After your degree is confirmed, you may need to allow at least three weeks for the degree to be confirmed by the Registrar’s office.
After you have confirmation from the Registrar’s Office that your degree was awarded/education is completed, you can contact me (Helen Spencer) at hspencer@brooklyn.cuny.edu. I will check that your mandated workshops and education are recorded. After that, I will add the “institutional recommendation” to your NY State TEACH account to confirm your education and certification title with the NY State Dept. of Education Office of Teaching Initiatives (OTI) and send you a confirmation letter.

If you need priority processing by the college: After your grades are in, you can request a statement of graduation using this form and then send the statement to me (Helen Spencer) at hspencer@brooklyn.cuny.edu.

How much time is needed for certification to be confirmed?
If you are applying for initial/provisional certification related to finishing your certification program, that title may be confirmed on your TEACH account a day or two after all of your requirements are recorded.

A manual review is required for some titles. You may need to allow about 16 weeks for a manual review. The NY State Dept. of Education Office of Teaching Initiatives (OTI) staff will need to do a manual review of your certification application if you are applying for an additional certificate based on courses taken as a non-matriculated student, professional certification, individual evaluation, and some other types of applications.

What can I do if my certification has not been confirmed?
If you have a bachelor’s degree, a school may be able to hire you as a substitute teacher before your certification is confirmed. Information about NYC DOE Substitute Teaching.

2. Question: What tests do I need, and how do I find a test site/date? Is there any test prep?

You can check current requirements at www.highered.nysed.gov/tcert
- If you are not certified and
- if you are applying for certification for the same subject/age group as your undergraduate or graduate teacher education program at Brooklyn College, check Pathway Approved Teacher Preparation Program.

Initial or professional certification:
The Brooklyn College undergraduate education programs fulfil the education for initial certification.
Most of the Brooklyn College graduate teacher education programs fulfil the education for initial and professional certification.
School counselors and school psychologists are eligible for *provisional and permanent* certification. These titles are Pupil Personnel Service (PPS) titles.

**How to check NY State certification test center availability**

Test prep resources are included on the [Brooklyn College Certification Website](#).

The edTPA was eliminated for all candidates.

3. **Question: Do I need to complete the Autism workshop?**  [Check here](#).

4. **Question: I don’t have a college recommendation yet on my TEACH account? How do I get that?**  College recommendations are added after the workshops and education are confirmed, starting usually no sooner than about three weeks after the official graduation/program completion date. See # 1 above.

5. **Question: Do I need to send my transcripts to the state?**  You don’t need to send transcripts to the state to reconfirm education for a Brooklyn College [undergraduate](#) or [graduate](#) program and are applying for a matching certification subject.

6. **Question: Do the mandated workshops expire?**  No, the School Violence Prevention and Identification of Child Abuse and Dignity for All Students Act (DASA) workshops do not need to be completed again for New York state certification.

7. **Question: I applied for certification. How do I check the status of my application and what needs to be done?**  [How to check the status of your application (pdf)](#).

8. **Question: How long does certification last?**

Classroom teachers are eligible for *initial and professional* certification.

School counselors and school psychologists are eligible for *provisional and permanent* certification. These titles are Pupil Personnel Service (PPS) titles.

*Initial/provisional certification*: These titles are valid for five years. If you do not complete the requirements for professional/permanent certification before your initial/provisional certificate expires, you will need to apply for a [time extension](#), initial
reissuance or provisional renewal. Check the requirements for certification well before that time since requirements and rules may change.

Professional/permanent certification: After completing three years of relevant paid experience for classroom teachers or two years for school counselors and psychologists in one of your titles or a combination, as well as a relevant master’s/graduate/advanced certificate program, plus any other requirements needed at the time of your application and evaluation such as INS Permanent Residence or U.S. Citizenship, you should be eligible for professional/permanent certification.

After you have professional certification you will need to complete Continuing Teacher and Leader Education (CTLE) and registration.

9.  **Question: My certification is expiring. What do I do?** If you do not have the requirements for a professional/permanent title, and if you are eligible, you can apply for a time extension, initial reissuance or provisional renewal.

10. **Question: My certification expired. What do I do?**

    If your requirements and done and your application is pending review, you can check with your payroll secretary, teacher’s union representative and NYC DOE HR Connect staff if this is a problem. If your requirements are not done, you can ask me (Helen Spencer) at hspencer@brooklyn.cuny.edu to help you if your certification expired and check what the next steps are. You will need to apply for a time extension, initial reissuance or provisional renewal if you are eligible. If you graduated before Feb. 2004, you will need to apply using the individual evaluation pathway since all programs were revised as of Feb. 2004.

11. **Question: I’m not receiving email notices. What should I do?**

    If you are not already receiving e-mail from Brooklyn College at your preferred e-mail address, update your address by going to the BC WebCentral Portal, then navigating to My Info > My Email and Text Message Subscriptions. Select the option to subscribe to "news from institutional departments." Also check if your email is correct in CUNYfirst. You can check your email "spam" and "trash" from time to time to see if you need to mark email from Brooklyn College as safe or ok to receive. For help with your email, you can contact the Network Support group. Email NetGroup@brooklyn.cuny.edu

    More Questions? You can contact me by phone, email, or visit me on campus. Before visiting the campus, check if registration is required.
