

Brooklyn College

COMMENCEMENT CEREMONY

May 31, 2022

The Star-Spangled Banner (The National Anthem)

O say can you see, by the dawn’s early light,
What so proudly we hail’d at the twilight’s last gleaming?
Whose broad stripes and bright stars through the perilous fight
O’er the ramparts we watch’d were so gallantly streaming?
And the rocket’s red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say does that star-spangled banner yet wave
O’er the land of the free and the home of the brave?

Fanfare and Alma Mater

On campus green, with towers of marble
Lifting white spires in air.
Oh, Brooklyn is our Alma Mater,
And she is wondrous fair.
Within the gray halls ever lit,
The lamps of learning burn,
And ever on to goals of glory
Young eager spirits yearn.

Message From the President

Congratulations on graduating from Brooklyn College, Class of 2022!

Today we celebrate the completion of your academic degree and the start of the next phase of your life. You have devoted much time and effort to becoming a college graduate. I join the entire Brooklyn College community in commending you on your achievements. Each of you persevered to obtain your college degree while faced with a time of great challenge. You stayed the course and made it to this moment.

With your Brooklyn College degree, you join a network of more than 160,000 alumni around the world whose successes are rooted in our legacy of intellectual rigor, respect for diversity, and global citizenship.

The next phase of your personal, academic, and professional journeys will hold new challenges, and your education here has prepared you for the opportunities ahead.

Many thanks and appreciation to the alumni, trustees, distinguished guests, staff, faculty, family, and friends who are here today to applaud you.

Cheers to the Class of 2022! Best wishes to each of you in your future endeavors.

Michelle J. Anderson
President

Message From the President of the Brooklyn College Alumni Association

Congratulations, Class of 2022!

I am thrilled that we are able to gather in person and celebrate your graduation from Brooklyn College. Your hard work, perseverance, and resilience have paid off. I hope you will take a moment to reflect on the important experiences and academic dedication that brought you here. You are well-equipped for this new beginning, and I know you will go far.

It is my distinct honor to welcome you with pride to the Brooklyn College Alumni Association (BCAA), an exceptional community with more than 160,000 members. With the support of the Office of Alumni Engagement, the BCAA aims to keep you connected to each other and our alma mater. As esteemed members, you will continue to hear from us about ways to stay connected and engaged.

Congratulations again on your graduation from Brooklyn College. We are proud to celebrate this momentous occasion and excited to see you take off into the world. Welcome to our alumni family!

Recessional

Valedictorian

Carina D’Urso is the valedictorian of the Brooklyn College Class of 2022.

D’Urso credits her maternal grandparents, who are from Molise, the smallest region in Italy, as a driving force behind her passion for education. Her grandparents were unable to go to school past the fifth grade, which made an impact on D’Urso’s mother, who passed the importance of education and her love of art to her daughter. From a young age, D’Urso was introduced to New York City’s culture. And although she struggled at times with schoolwork, her mother devoted countless hours to tutoring her, teaching D’Urso the value of perseverance, a quality which would guide her. As a teenager, D’Urso became inspired to teach.

She was selected in 2018 as a member of the Macaulay Honors College. Building her own major as a part of the CUNY Baccalaureate for Unique and Interdisciplinary Studies program, she was able to work at the intersection of the arts, education, and social change. Her professors in the Art History Department encouraged her to join CUNY Cultural Corps, which led to an internship in the Education Department of the Metropolitan Museum of Art. She went on to complete a second internship at the museum with Family Programs, and she is currently a temporary program associate with Public Programs and Creative Practice, fortifying her aspirations for a career in museum education and programming.

D’Urso has served as the director of the Macaulay Theater Club and the president of the Macaulay Peer Mentors. She also volunteered with the Community of Volunteer Educators as an instructional support liaison and tutor. In the summer of 2021, D’Urso was awarded the Fulbright Canada Undergraduate Research Internship, where she worked on a project that imagined transformed liberal arts education throughout the world. Most recently, she was named an alternate for the Fulbright Italy English Teaching Assistantship.

After graduation, D’Urso will be attending the Harvard Graduate School of Education to pursue a master’s degree in Human Development and Education. She plans to study the way arts-based interventions impact the development of young people and the trajectories of their learning.

Please join us in congratulating Carina D’Urso on her graduation and selection as the valedictorian of the Brooklyn College Class of 2022. We wish her success in all of her future endeavors.

Salutatorian

Hafsa Fatima is the salutatorian of the Brooklyn College Class of 2022. A double major in Psychology and Art with a minor in Chemistry, Fatima was on the Dean’s List for every semester she attended Brooklyn College.

A native of Pakistan, Fatima immigrated to the United States at the age of two with her family. Attending Brooklyn College and having access to quality public education with the chance to explore her interests was an opportunity she says that was never afforded to her parents.

From the start, Fatima took advantage of what the college had to offer. As a freshman, she studied in China, with funding from the Brooklyn College Study Abroad Scholarship Association. There, she explored intercultural communications and the history of the Silk Road. The following summer, she traveled to Indonesia on a Rosen Fellowship. Her research focused on the Balinese attitudes toward sensitive health topics.

The pandemic interrupted Fatima’s plans both at home and abroad. Instead of traveling to Costa Rica as a Benjamin A. Gilman scholar to participate in a health careers internship, she ended up interning at Girl Be Heard, a non-profit organization that is dedicated to encouraging young women to participate in theater and storytelling as activism. Fatima’s time there inspired her to join the Women’s Center at

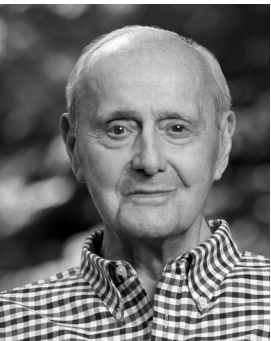

Brooklyn College. She worked with the Muslim Women’s Leadership Development Program as a social media promoter. An oral history class and a grant from the Andrew Mellon Foundation gained her another internship as a social media manager for the college’s History Department.

In summer 2021, Fatima earned a Fulbright-MITACS Globalink scholarship. She joined researchers for The Non-Religion in a Complex Future project at the University of Ottawa in Ontario. Her work aimed to identify the global social impact of non-religion in five areas: health, law, education, the environment, and migration.

Fatima found her passion for chemistry taking introductory science courses. Soon, she was shadowing physicians in the hopes of finding her calling in healthcare. She settled on dentistry and will attend The University of Pennsylvania School of Dental Medicine in the fall of 2022.

Please join us in congratulating Hafsa Fatima on her graduation and selection as the salutatorian of the Brooklyn College Class of 2022. We wish her success in all of her future endeavors.

Distinguished Alumnus

Philanthropist **Leonard Tow ’50** earned a bachelor’s degree in economics at Brooklyn College, where he also met his wife, Claire Tow ’52.

He went on to earn a Ph.D. in economic geography from Columbia University then taught

for several years at Brooklyn College, Hunter College, and Columbia Business School. He was also a distinguished adjunct professor at New York University. He left academia in 1964 and entered the business world to become a pioneer in cable television and cellular telephones, founding Century Communications in 1973 and Centennial Cellular Corporation in 1987. Both Century Communications and Centennial Cellular Corporation were sold in 1999. Tow also served as Chairman and CEO of Citizens Utilities, a diversified public utility company, from 1989 to 2004.

In 1988, Leonard and Claire Tow established The Tow Foundation. Spurred by a desire to give back to the communities that shaped them, the foundation supports innovative programs and system reform in the fields of youth and adult criminal justice, medicine and public health, higher education, journalism, and culture.

The couple were early and active champions of Brooklyn College, investing in the value of research, exceptional teaching and mentorship, and transformational learning opportunities. Through more than 700 fellowships, scholarships, internships, professorships, and teaching awards,

they have enriched the quality of intellectual life for our entire campus by providing the means to allow our faculty and students to become exceptional in their fields.

The couple also donated \$10 million in seed money for the Leonard & Claire Tow Center for the Performing Arts at Brooklyn College, which opened in 2018. The state-of-the-art center has transformed the campus footprint and is home to the Conservatory of Music and the Department of Theater.

The couple were both awarded the honorary degree of Doctor of Humane Letters by Brooklyn College in 1998. Leonard Tow is also the recipient of the Carnegie Medal of Philanthropy. He serves on the boards of several organizations, including Lincoln Center Theater, the Mailman School of Public Health at Columbia University, and the Educational Broadcasting Corporation. He is also a member of the Brooklyn College Foundation Board of Trustees.

Leonard and Claire Tow’s three children—Frank, Andrew, and Emily—are active partners in continuing the family’s philanthropic legacy through The Tow Foundation. All three joined the foundation’s board of directors at its inception, and Emily has served as the foundation’s president since 1995.

In recognition of his extraordinary philanthropy and unwavering support for institutions of higher learning, Brooklyn College presents Leonard Tow with the Distinguished Alumnus Award.

Presidential Medal of Honor

Jules L. Coleman is a world-renowned scholar of Law and Jurisprudence. Having founded the field of the Philosophy of Tort Law, and credited by the great H.L.A. Hart as inventing Inclusive Legal Positivism, Coleman was the first and remains the most influential advocate of a Corrective Justice approach to Tort Law.

A first-generation college student, Coleman received his bachelor of arts in philosophy, magna cum laude, from Brooklyn College in 1968; his Ph.D. in philosophy from Rockefeller University in 1972; and his M.S.L. from Yale Law School in 1976.

He began his academic career as an instructor at Brooklyn College in 1971. Thereafter, he taught at the University of California, Berkeley, New York University School of Law, University of Virginia School of Law, Columbia Law School, and Georgetown University Law Center, among others. For nearly three decades, Coleman held the Wesley Newcomb Hohfeld Professorship of Jurisprudence and Philosophy at Yale. He then joined New York University as Senior Vice Provost and Professor of both Philosophy and Recorded Music, where he oversaw academic planning to launch NYU’s campus in Abu Dhabi.

Coleman is the author of more than 100 academic essays and a dozen books. He has presented nearly 100 named lectures worldwide, including the H.L.A. Hart Memorial Lecture at Oxford University; the John Austin Lecture at Cambridge;

the inaugural Clarendon Law Lectures at Oxford University (published and translated into several languages); and the Swift Lecture at Middlebury College.

Coleman has been recognized at conferences held in honor of his life’s work in Spain, Italy, Colombia, Peru, Switzerland, Germany, England, and the United States. He has been awarded medals of honor from the Attorneys General of Peru and Colombia for his contributions to law and justice.

Having failed twice at retirement, Coleman co-founded Global Futures Group, which advances the cause of global smart cities. He has been an adviser to Turnaround for Children, which identifies and works to mitigate stress in school children. He also co-founded MetaVentureLabs, which teaches students 3D modeling and supports them to incubate and launch social impact projects with leading companies.

Nothing has been a greater source of pride and joy for Coleman and his wife Mimsie Griesedieck than their three children, Jesse, Jeremy, and Laura—though he takes nearly as much pride in the fact that he was named to intramural all-star teams in football, basketball, and softball while a member of Fife House at Brooklyn College. He had a less illustrious career as a member of the Brooklyn College golf team, but managed to turn that around and is currently a professional golf coach through Golf Smart Academy.

Honorary Doctor of Humane Letters
Keynote Speaker

Leymah Roberta Gbowee is a Liberian activist and social worker, an unceasing champion of human rights, and an advocate for peace. A winner of the 2011 Nobel Peace Prize along with former Liberian President Ellen Johnson Sirleaf

and Yemeni journalist Tawakkol Karman, Gbowee is the founder and president of the Gbowee Peace Foundation Africa, established in 2012 to provide quality education and leadership opportunities to women and youth as a path to economic security and peace.

Born in central Liberia in 1972, Gbowee was living with her family in the capital of Monrovia when the First Liberian Civil War broke out. The brutality that she witnessed against her fellow Liberians—particularly women and children—spurred her to train as a social worker specializing in trauma counseling.

Gbowee’s dedication to bringing peace and security to troubled areas of the world has never been better illustrated than by her work in her home country, where she led a movement of Liberian women, both Muslim and Christian, to call for peace through nonviolent protest. The Women of Liberia Mass Action for Peace played a crucial role in ending civil war in Liberia in 2003.

Gbowee was the founding head of the Liberian Reconciliation Initiative, a forum for the victims and perpetrators of human rights violations to bring about healing and produce a more accurate accounting of the country’s devastating 14-year civil war. Today, she is the executive director of Women Peace and Security Network Africa, established in Ghana in 2006 as a

nongovernmental organization to advance women’s leadership in the governance of the continent’s peace and security.

As an experienced social worker and women’s rights advocate, Gbowee has counseled refugees at the Ministry of Health Displaced Shelter and is the founding member and former Liberia Coordinator of Women in Peacebuilding Network/ West Africa Network for Peacebuilding. She served as a member of the High-Level Task Force for the International Conference on Population and Development and on the board of directors of the Nobel Women’s Initiative, the Federation of Liberian Youth, and the PeaceJam Foundation, a youth organization led by Nobel laureates to mentor future leaders in global peace. In addition, Gbowee is a member of the African Women Leaders Network for Reproductive Health and Family Planning and an Oxfam Global Ambassador.

In 2014, Gbowee received the Women’s Refugee Council’s Voices of Courage Award and in 2016, the Lifetime Africa Achievement Prize for Peace in Africa by the Millennium Excellence Foundation. In 2018, she was appointed to the Gender Equality Advisory Council for Canada’s G7 Presidency.

Gbowee holds a master of arts degree in conflict transformation from Eastern Mennonite University in Virginia and was a Distinguished Fellow in Social Justice at Barnard College from 2013 to 2015.

In recognition of her contributions to ending the civil war in her home country of Liberia through peaceful protest; for her tireless work in conflict resolution and peace and reconciliation; as a global advocate for women’s rights and leadership; and as a successful proponent of gender equality, Brooklyn College awards Leymah Roberta Gbowee the Honorary Doctorate of Humane Letters.

- Murray Koppelman ’57
- Zachary L. Solomon ’57

The Board of Directors of the Brooklyn College Alumni Association

The Brooklyn College Alumni Association and the Office of Alumni Engagement provide services and programs for Brooklyn College alumni. These include the support of educational and social programs for regional chapters, classes, professional and cultural affiliate groups, and the issuing of ID cards that enable alumni to use selected resources of the college.

The Brooklyn College Alumni Association provides a lifelong association between Brooklyn College of the City University of New York and its alumni by supporting the mission, students, faculty, and programs of the college. The primary charge of the Alumni Association is to foster, maintain, and enhance the alumni connection to the college by providing activities, services, and programs for regional chapters, graduating classes, and professional and cultural affiliate groups. Upon graduation, alumni begin a lifelong relationship with the college. Many participate as mentors, internship sponsors, and career advisers in programs designed to assist students while they are still in school.

Executive Committee

- Agnes Ford ’69, President
- Arlene Lichterman ’53, 1st Vice President
- Chone Naing Chen ’81, 2nd Vice President
- Harriet Levy Rosenblum ’76, Treasurer
- Fred Kneitel ’02, Recording Secretary

Disclaimer

The names listed in this Commencement Program represent candidates for graduation for September 2021, December 2021, February 2022, June 2022, and September 2022. To have their names appear in this program, students must have filed notice with the Office of the Registrar by the communicated deadlines that they expected to complete all their academic requirements by either June 2022 or September 2022, which would enable them to participate in the May 2022 Commencement Ceremony.

The names of students who filed after February 15, 2022 (for June 2022 candidates), or March 15, 2022 (for September 2022 candidates), may not appear in this program. Students who believe they filed before their respective deadline dates, but do not see their names listed in the program, should contact the Office of the Registrar.

Every attempt has been made to publish an accurate record of the names of the graduates and of those receiving special recognition. It should be noted, however, that because of production deadlines, the program may contain some errors and/or omissions, despite all efforts to the contrary. The preferred student names in this program appear as they do in CUNYfirst.

The listing of candidate names in this program is not a verification of graduation. To confirm graduation, please contact the Office of the Registrar.

Due to the timing of publication, cum laude, magna cum laude, and summa cum laude honors are not listed for June 2022 or September 2022 baccalaureate candidates. Dean’s List honors do not appear in this publication. Baccalaureate double majors are listed under their primary major only; minors are not listed.

This Commencement program reflects students’ Preferred Names if they appeared in CUNYfirst as of March 15, 2022. If you did not have a preferred name in the system at that time, your primary (legal) name will be reflected in this program.

Official documents such as diplomas will only reflect a student’s primary (legal) name as it appears in CUNYfirst, which may not be the same as the preferred name.
